

The Wonderful World of Waterbugs

with John Gooderham

Tuesday 23rd and Wednesday 24th October 2018

Community educator and lecturer John Gooderham (of the Waterbug Company and co-organiser of The National Waterbug Blitz) has agreed to attend two public education sessions and attend the field sessions the following day.

Your Invitation to participate

Afternoon session with John Gooderham

Date: Tuesday 23rd October 2018

Venue: QVMAG auditorium – 4.00 pm - 5.00 pm

Critters in Creeks – Macro-invertebrate Monitoring & Citizen Science

Field Work at various locations – Schools and Community

Wednesday 24th October 2018, 9.00am- 4.00pm.

Meet at Queechy Lake Car Park, Queechy Road (off Penquite Road, Launceston)

This citizen science project is to build a mindset of caring for waterways while building valuable data sets on river health.

For bookings and registration of interest call Tamar NRM on 6323 3310, Mobile 0438 642 112 or visit the website:
