

## Tamar Valley “Healthy Soils” Group

# Mosaic of soils occurring in the Tamar

- ***Do you have soil variability across your property?***
- ***Variable pH?***
- ***Poorly drained soils in some parts of your farm?***

Paddock by paddock variation presents many challenges in managing soils for production and soil health.

Tamar NRM in conjunction with "Wenlock Enterprises", Rosevale, are holding a field day to discuss treatments to manage these soils.

- ***See three adjacent paddocks all exhibiting different soil characteristics and hear how the landholder manages them.***
  - ***Property mapping and fencing plans***

Speakers to include; Tim Reed (property owner), Lee Ringk and Agronomist Seona Findlay

***Date: Friday 4<sup>th</sup> October, 9.30 am start***

***Where: Rosevale Hall and nearby property "Wenlock".  
1395 Bridgenorth Rd, Rosevale. (Meet at the Hall)***
